2 (Section scheduled to be repealed on January 1, 2028)

3 Sec. 7. Collaboration requirements.

4 (a) A written collaborative agreement is required for all

11 of physician assistants to collaborate with, provided the  
12 physician is able to provide adequate collaboration as  
13 outlined in the written collaborative agreement required under  
14 Section 7.5 of this Act and consideration is given to the  
15 nature of the physician's practice, complexity of the patient

17 ~~collaborating physician may collaborate with a maximum of 7~~  
18 ~~full time equivalent physician assistants as described in~~  
19 ~~Section 54.5 of the Medical Practice Act of 1987. As used in~~

12 delegation of tasks or duties by a physician to a nurse or  
13 other appropriately trained personnel.

14 (f) Nothing in this Act shall be construed to prohibit the  
15 employment of physician assistants by a hospital, nursing home  
16 or other health care facility where such physician assistants  
17 function with ~~under~~ a collaborating physician.

18 (g) A physician assistant may be employed by a practice  
19 group or other entity employing multiple physicians at one or

21 at a location shall be designated the collaborating physician.  
22 The other physicians with that practice group or other entity  
23 who practice in the same general type of practice or specialty  
24 as the collaborating physician may collaborate with the  
25 physician assistant with respect to their patients.

26 (h) ~~(b)~~ A physician assistant licensed in this State, or

2 jurisdiction or credentialed by his or her federal employer as  
3 a physician assistant, who is responding to a need for medical

14 (225 ILCS 95/7.5)

15 (Section scheduled to be repealed on January 1, 2028)

16 Sec. 7.5. Written collaborative agreements; prescriptive  
17 authority.

18 (a) A written collaborative agreement is required for all  
19 physician assistants to practice in the State, except as  
20 provided in Sections Section 7.7 and Section 7.9 of this Act.  
21 When a written collaborative agreement is required under this  
22 Act, the following shall apply:

23 (1) A written collaborative agreement shall describe  
24 the working relationship of the physician assistant with  
25 the collaborating physician and shall describe the

1 categories of care, treatment, or procedures to be  
2 provided by the physician assistant. ~~The written~~  
3 ~~collaborative agreement shall promote the exercise of~~  
4 ~~professional judgment by the physician assistant~~  
5 ~~commensurate with his or her education and experience. The~~  
6 ~~services to be provided by the physician assistant shall~~  
7 ~~be services that the collaborating physician is authorized~~  
8 ~~to and generally provides to his or her patients in the~~  
9 ~~normal course of his or her clinical medical practice. The~~  
10 ~~written collaborative agreement need not describe the~~  
11 ~~exact steps that a physician assistant must take with~~  
12 ~~respect to each specific condition, disease, or symptom~~  
13 ~~but must specify which authorized procedures require the~~  
14 ~~presence of the collaborating physician as the procedures~~  
15 ~~are being performed.~~ The relationship under a written  
16 collaborative agreement shall not be construed to require  
17 the personal presence of a physician at the place where  
18 services are rendered. Methods of communication shall be  
19 available for consultation with the collaborating  
20 physician in person or by telecommunications or electronic  
21 communications as set forth in the written collaborative  
22 agreement. ~~For the purposes of this Act, "generally~~  
23 ~~provides to his or her patients in the normal course of his~~  
24 ~~or her clinical medical practice" means services, not~~  
25 ~~specific tasks or duties, the collaborating physician~~  
26 ~~routinely provides individually or through delegation to~~

1 ~~other persons so that the physician has the experience and~~  
2 ~~ability to collaborate and provide consultation.~~

3 (2) (Blank). ~~The written collaborative agreement shall~~  
4 ~~be adequate if a physician does each of the following:~~

5 ~~(A) Participates in the joint formulation and~~  
6 ~~joint approval of orders or guidelines with the~~  
7 ~~physician assistant and he or she periodically reviews~~  
8 ~~such orders and the services provided patients under~~  
9 ~~such orders in accordance with accepted standards of~~  
10 ~~medical practice and physician assistant practice.~~

11 ~~(B) Provides consultation at least once a month.~~

12 (3) A copy of the signed, written collaborative  
13 agreement must be available to the Department upon request  
14 ~~from both the physician assistant and the collaborating~~  
15 ~~physician.~~

16 (4) A physician assistant shall inform each  
17 collaborating physician of all written collaborative  
18 agreements he or she has signed and provide a copy of these  
19 to any collaborating physician upon request.

20 (b) To prescribe Schedule II, III, IV, or V controlled  
21 substances under this Section, a physician assistant must  
22 obtain a mid-level practitioner controlled substances license.  
23 ~~A collaborating physician may, but is not required to,~~  
24 ~~delegate prescriptive authority to a physician assistant as~~  
25 ~~part of a written collaborative agreement. This authority may,~~  
26 ~~but is not required to, include prescription of, selection of,~~

1 ~~orders for, administration of, storage of, acceptance of~~  
2 ~~samples of, and dispensing medical devices, over the counter~~  
3 ~~medications, legend drugs, medical gases, and controlled~~  
4 ~~substances categorized as Schedule II through V controlled~~  
5 ~~substances, as defined in Article II of the Illinois~~  
6 ~~Controlled Substances Act, and other preparations, including,~~  
7 ~~but not limited to, botanical and herbal remedies. The~~  
8 ~~collaborating physician must have a valid, current Illinois~~  
9 ~~controlled substance license and federal registration with the~~  
10 ~~Drug Enforcement Administration to delegate the authority to~~  
11 ~~prescribe controlled substances.~~

12 ~~(1) To prescribe Schedule II, III, IV, or V controlled~~  
13 ~~substances under this Section, a physician assistant must~~  
14 ~~obtain a mid-level practitioner controlled substances~~  
15 ~~license. Medication orders issued by a physician assistant~~  
16 ~~shall be reviewed periodically by the collaborating~~  
17 ~~physician.~~

18 ~~(2) The collaborating physician shall file with the~~  
19 ~~Department notice of delegation of prescriptive authority~~  
20 ~~to a physician assistant and termination of delegation,~~  
21 ~~specifying the authority delegated or terminated. Upon~~  
22 ~~receipt of this notice delegating authority to prescribe~~  
23 ~~controlled substances, the physician assistant shall be~~  
24 ~~eligible to register for a mid-level practitioner~~  
25 ~~controlled substances license under Section 303.05 of the~~  
26 ~~Illinois Controlled Substances Act. Nothing in this Act~~

1 ~~shall be construed to limit the delegation of tasks or~~  
2 ~~duties by the collaborating physician to a nurse or other~~  
3 ~~appropriately trained persons in accordance with Section~~  
4 ~~54.2 of the Medical Practice Act of 1987.~~

5 ~~(3) In addition to the requirements of this subsection~~  
6 ~~(b), a collaborating physician may, but is not required~~  
7 ~~to, delegate authority to a physician assistant to~~  
8 ~~prescribe Schedule II controlled substances, if all of the~~  
9 ~~following conditions apply:~~

10 ~~(A) Specific Schedule II controlled substances by~~  
11 ~~oral dosage or topical or transdermal application may~~  
12 ~~be delegated, provided that the delegated Schedule II~~  
13 ~~controlled substances are routinely prescribed by the~~  
14 ~~collaborating physician. This delegation must identify~~  
15 ~~the specific Schedule II controlled substances by~~  
16 ~~either brand name or generic name. Schedule II~~  
17 ~~controlled substances to be delivered by injection or~~  
18 ~~other route of administration may not be delegated.~~

19 ~~(B) (Blank).~~

20 ~~(C) Any prescription must be limited to no more~~  
21 ~~than a 30 day supply, with any continuation authorized~~  
22 ~~only after prior approval of the collaborating~~  
23 ~~physician.~~

24 ~~(D) The physician assistant must discuss the~~  
25 ~~condition of any patients for whom a controlled~~  
26 ~~substance is prescribed monthly with the collaborating~~

1           ~~physician.~~

2           ~~(E) The physician assistant meets the education~~  
3           ~~requirements of Section 303.05 of the Illinois~~  
4           ~~Controlled Substances Act.~~

5           (c) Nothing in this Act shall be construed to limit the  
6           delegation of tasks or duties by a physician to a licensed  
7           practical nurse, a registered professional nurse, or other  
8           persons. Nothing in this Act shall be construed to limit the  
9           method of delegation that may be authorized by any means,  
10          including, but not limited to, oral, written, electronic,  
11          standing orders, protocols, guidelines, or verbal orders.  
12          Nothing in this Act shall be construed to authorize a  
13          physician assistant to provide health care services required  
14          by law or rule to be performed by a physician. Nothing in this  
15          Act shall be construed to authorize the delegation or  
16          performance of operative surgery. Nothing in this Section  
17          shall be construed to preclude a physician assistant from  
18          assisting in surgery.

19          (c-5) Nothing in this Section shall be construed to apply  
20          to any medication authority, including Schedule II controlled  
21          substances of a licensed physician assistant for care provided  
22          in a hospital, hospital affiliate, or ambulatory surgical  
23          treatment center pursuant to Section 7.7 of this Act or to a  
24          physician assistant meeting the requirements of Section 7.9 of  
25          this Act.

26          (d) (Blank).

1 (e) Nothing in this Section shall be construed to prohibit  
2 generic substitution.

3 (f) Delegation of prescriptive authority by a physician is  
4 not required under this Section.

10 providing care for his or her patients, except as otherwise  
11 provided in the medical staff bylaws or consulting committee  
12 policies.

13 a filed return, or to pay any final assessment of the tax,  
14 penalty, or interest as required by any tax Act administered  
15 by the Illinois Department of Revenue, until such time as the  
16 requirements of any such tax Act are satisfied.

17       (b-5) The Department shall not revoke, suspend, summarily  
18 suspend, place on prohibition, reprimand, refuse to issue or  
19 renew, or take any other disciplinary or non-disciplinary  
20 action against the license or permit issued under this Act to  
21 practice as a physician assistant based solely upon the  
22 physician assistant providing, authorizing, recommending,  
23 aiding, assisting, referring for, or otherwise participating  
24 in any health care service, so long as the care was not  
25 unlawful under the laws of this State, regardless of whether  
26 the patient was a resident of this State or another state.

1 (b-10) The Department shall not revoke, suspend, summarily  
2 suspend, place on prohibition, reprimand, refuse to issue or  
3 renew, or take any other disciplinary or non-disciplinary  
4 action against the license or permit issued under this Act to

6 assistant's license being revoked or suspended, or the  
7 physician assistant being otherwise disciplined by any other  
8 state, if that revocation, suspension, or other form of  
9 discipline was based solely on the physician assistant  
10 violating another state's laws prohibiting the provision of,  
11 authorization of, recommendation of, aiding or assisting in,  
12 referring for, or participation in any health care service if  
13 that health care service as provided would not have been  
14 unlawful under the laws of this State and is consistent with  
15 the standards of conduct for a physician assistant practicing  
16 in Illinois.

17 (b-15) The conduct specified in subsections (b-5) and  
18 (b-10) shall not constitute grounds for suspension under  
19 Section 22.13.

20 (b-20) An applicant seeking licensure, certification, or  
21 authorization pursuant to this Act who has been subject to  
22 disciplinary action by a duly authorized professional  
23 disciplinary agency of another jurisdiction solely on the  
24 basis of having provided, authorized, recommended, aided,  
25 assisted, referred for, or otherwise participated in health  
26 care shall not be denied such licensure, certification, or

1 authorization, unless the Department determines that such  
2 action would have constituted professional misconduct in this  
3 State; however, nothing in this Section shall be construed as  
4 prohibiting the Department from evaluating the conduct of such  
5 applicant and making a determination regarding the licensure,  
6 certification, or authorization to practice a profession under  
7 this Act.

8 (c) The determination by a circuit court that a licensee  
9 is subject to involuntary admission or judicial admission as  
10 provided in the Mental Health and Developmental Disabilities  
11 Code operates as an automatic suspension. The suspension will  
12 end only upon a finding by a court that the patient is no  
13 longer subject to involuntary admission or judicial admission  
14 and issues an order so finding and discharging the patient,  
15 and upon the recommendation of the Board to the Secretary that  
16 the licensee be allowed to resume his or her practice.

17 (d) In enforcing this Section, the Department upon a  
18 showing of a possible violation may compel an individual  
19 licensed to practice under this Act, or who has applied for  
20 licensure under this Act, to submit to a mental or physical  
21 examination, or both, which may include a substance abuse or  
22 sexual offender evaluation, as required by and at the expense  
23 of the Department.

24 The Department shall specifically designate the examining  
25 physician licensed to practice medicine in all of its branches  
26 or, if applicable, the multidisciplinary team involved in

1 providing the mental or physical examination or both. The  
2 multidisciplinary team shall be led by a physician licensed to  
3 practice medicine in all of its branches and may consist of one  
4 or more or a combination of physicians licensed to practice  
5 medicine in all of its branches, licensed clinical  
6 psychologists, licensed clinical social workers, licensed  
7 clinical professional counselors, and other professional and  
8 administrative staff. Any examining physician or member of the  
9 multidisciplinary team may require any person ordered to  
10 submit to an examination pursuant to this Section to submit to  
11 any additional supplemental testing deemed necessary to  
12 complete any examination or evaluation process, including, but  
13 not limited to, blood testing, urinalysis, psychological  
14 testing, or neuropsychological testing.

15 The Department may order the examining physician or any  
16 member of the multidisciplinary team to provide to the  
17 Department any and all records, including business records,  
18 that relate to the examination and evaluation, including any  
19 supplemental testing performed.

20 The Department may order the examining physician or any  
21 member of the multidisciplinary team to present testimony  
22 concerning the mental or physical examination of the licensee  
23 or applicant. No information, report, record, or other  
24 documents in any way related to the examination shall be  
25 excluded by reason of any common law or statutory privilege  
26 relating to communications between the licensee or applicant

1 and the examining physician or any member of the  
2 multidisciplinary team. No authorization is necessary from the  
3 licensee or applicant ordered to undergo an examination for  
4 the examining physician or any member of the multidisciplinary  
5 team to provide information, reports, records, or other  
6 documents or to provide any testimony regarding the  
7 examination and evaluation.

8 The individual to be examined may have, at his or her own  
9 expense, another physician of his or her choice present during  
10 all aspects of this examination. However, that physician shall  
11 be present only to observe and may not interfere in any way  
12 with the examination.

13 Failure of an individual to submit to a mental or physical  
14 examination, when ordered, shall result in an automatic  
15 suspension of his or her license until the individual submits  
16 to the examination.

17 If the Department finds an individual unable to practice  
18 because of the reasons set forth in this Section, the  
19 Department may require that individual to submit to care,  
20 counseling, or treatment by physicians approved or designated  
21 by the Department, as a condition, term, or restriction for  
22 continued, reinstated, or renewed licensure to practice; or,  
23 in lieu of care, counseling, or treatment, the Department may  
24 file a complaint to immediately suspend, revoke, or otherwise  
25 discipline the license of the individual. An individual whose  
26 license was granted, continued, reinstated, renewed,

1 disciplined, or supervised subject to such terms, conditions,  
2 or restrictions, and who fails to comply with such terms,  
3 conditions, or restrictions, shall be referred to the  
4 Secretary for a determination as to whether the individual  
5 shall have his or her license suspended immediately, pending a  
6 hearing by the Department.

7 In instances in which the Secretary immediately suspends a  
8 person's license under this Section, a hearing on that  
9 person's license must be convened by the Department within 30  
10 days after the suspension and completed without appreciable  
11 delay. The Department shall have the authority to review the  
12 subject individual's record of treatment and counseling  
13 regarding the impairment to the extent permitted by applicable  
14 federal statutes and regulations safeguarding the  
15 confidentiality of medical records.

16 An individual licensed under this Act and affected under  
17 this Section shall be afforded an opportunity to demonstrate  
18 to the Department that he or she can resume practice in  
19 compliance with acceptable and prevailing standards under the  
20 provisions of his or her license.

21 (e) An individual or organization acting in good faith,  
22 and not in a willful and wanton manner, in complying with this  
23 Section by providing a report or other information to the  
24 Board, by assisting in the investigation or preparation of a  
25 report or information, by participating in proceedings of the  
26 Board, or by serving as a member of the Board, shall not be

1 subject to criminal prosecution or civil damages as a result  
2 of such actions.

3 (f) Members of the Board shall be indemnified by the State  
4 for any actions occurring within the scope of services on the  
5 Board, done in good faith and not willful and wanton in nature.  
6 The Attorney General shall defend all such actions unless he  
7 or she determines either that there would be a conflict of  
8 interest in such representation or that the actions complained  
9 of were not in good faith or were willful and wanton.

10 If the Attorney General declines representation, the  
11 member has the right to employ counsel of his or her choice,  
12 whose fees shall be provided by the State, after approval by  
13 the Attorney General, unless there is a determination by a  
14 court that the member's actions were not in good faith or were  
15 willful and wanton.

16 The member must notify the Attorney General within 7 days  
17 after receipt of notice of the initiation of any action  
18 involving services of the Board. Failure to so notify the  
19 Attorney General constitutes an absolute waiver of the right  
20 to a defense and indemnification.

21 The Attorney General shall determine, within 7 days after  
22 receiving such notice, whether he or she will undertake to  
23 represent the member.

24 (g) The Department may adopt rules to implement the  
25 changes made by this amendatory Act of the 102nd General  
26 Assembly.
